JK Fenner

Powered by Innovation, Driven by Excellence

NEW LEADERSHIP

JK Fenner welcomes its **New President**

JK Fenner (India) Limited is pleased to announce the appointment of **Mr. Jegapriyan Govindarajan** as President. With nearly three decades of leadership experience across the automotive and industrial sectors, he brings a proven track record in business transformation, innovation, and profitable growth. Reporting to Vice Chairman & Managing Director **Mr. Vikrampati Singhania**, he will lead JK Fenner's next phase of strategic growth and operational excellence.

AWARDS & RECOGNITIONS

Performance Meets Recognition

JK Fenner continues to earn recognition across leading industry platforms for excellence in manufacturing, quality, innovation, sustainability, people practices, and customer partnerships.

Customer Award
Platinum Quality Award 2025-26 | Hyd 1 | Bajaj Auto Ltd., Pantnagar

CII – Gold Award
National Excellence Practice Competition Renewable Energy & Energy Savings

11th CII National Competition
on Digitalization, Robotics & Automation Industry 4.0.

ISO 14064
Madurai Plant 1 for GHG Accounting

Recycled Water
Sourced from CETP at Madurai Plant

Rooftop Solar
Commissioned at the Hyderabad Plant

ISO 50001 | ISO 26000
Strengthening Energy Management & Social Responsibility through ISO 50001 and ISO 26000 certifications.

MATERIAL INNOVATION BETTER PERFORMANCE

JK Fenner's Technology & Development team explored a nanoclay carbon black hybrid compound for high-performance power transmission belts, achieving 10% higher durability and a 15% reduction in carbon footprint, advancing both performance and sustainability.

पेटेंट कार्यालय, भारत सरकार
पेटेंट प्रमाण पत्र |
(पेटेंट नियमावली का नियम 74)

The Patent Office, Government Of India
Patent Certificate
(Rule 74 of The Patents Rules)

पेटेंट सं. / Patent No. : 595715
आवेदन सं. / Application No. : 202441064856
फाइल करने की तारीख / Date of Filing : 29/08/2024
पेटेंटी / Patentee : J.K. FENNER (INDIA) LIMITED

प्रमाणित किया जाता है कि पेटेंटी को, उपरोक्त आवेदन में समाविष्ट CLASSICAL BX SECTION V-BELT WITH ARAMID CORD AND EPDM COMPOUND FOR POWER TRANSMISSION AND MANUFACTURING METHOD नाम अभिधान के लिए, पेटेंट अधिनियम, 1970 के उपबंधों के अनुसार आज तारीख अगस्त 2024 से अट्ठाईसवें दिन से बीस वर्ष की अवधि के लिए पेटेंट अनुदत्त किया गया है।

It is hereby certified that a patent has been granted to the patentee for an invention entitled CLASSICAL BX SECTION V-BELT WITH ARAMID CORD AND EPDM COMPOUND FOR POWER TRANSMISSION AND MANUFACTURING METHOD as disclosed in the above mentioned application for the term of 20 years from the 28th day of August 2024 in accordance with the provisions of the Patents Act,1970.

अनुदान की तारीख / Date of Grant : 16/07/2026

Controller of Patents

Note.- The fees for renewal of this patent, if it is to be maintained, will fall / has fallen due on 28th day of August 2026 and on the same day in every year thereafter.

RESEARCH & PUBLICATIONS

JK Fenner's R&D continues to advance through technical publications and international research, strengthening its focus on sustainable materials, knowledge sharing, and future-ready engineering.

PATENT RECOGNITION

JK Fenner has been granted Patent No. 595715 for its Classical BX Section V-Belt with Aramid Cord and EPDM Compound, reinforcing its innovation in advanced power transmission technology.

Patent Granted | 16 July 2026

STRATEGIC PARTNERSHIP WITH YAMADA MANUFACTURING CO (JAPAN)

Effective October 1, 2026, JK Fenner will partner with Yamada Manufacturing Co (Japan), combining Japanese technology with JK Fenner's engineering expertise to support advanced automotive solutions, technology transfer, and joint development.

INDUSTRY PERSPECTIVE

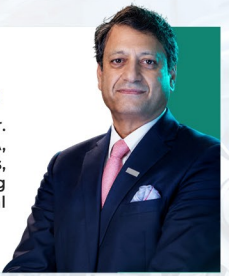
India–EU and India–UK Free Trade Agreements are expected to unlock the next phase of India's auto component exports, strengthening the industry's long-term global outlook.

- Vikrampati Singhania,
Vice Chairman & Managing Director
JK Fenner (India) Limited

ACMA INDUSTRY PERSPECTIVE | ACMA 66th ANNUAL SESSION

At the 66th ACMA Annual Session, Mr. Vikrampati Singhania, President of ACMA, shared insights on new growth frontiers, technology-led transformation, and taking India's manufacturing excellence to global markets.

2 September 2026 | New Delhi



CUSTOMER TESTIMONIAL

"Lythero Grease delivered up to 15 hours of harvester operation, offering 5 to 6 additional hours compared with other brands, along with positive feedback on product quality"

Our long-standing association with JK Fenner has been built on trust, consistent quality and dependable performance. Their commitment to delivering reliable solutions has made them a valued and trusted partner over the years.

OEM Customers

"JK Fenner Lythero Grease improved load-carrying performance and extended grease recharging intervals from 2 to 5 days, helping save maintenance time and running costs"

Our association with JK Fenner has been strengthened by their reliable solutions, consistent quality and continued support. Their focus on delivering dependable products and service has contributed to a strong and lasting partnership.

OEM Customers

"Lythero Industrial Greases received positive customer feedback for quality, performance and longevity across demanding crusher, marine and seafood-processing applications"

Our relationship with JK Fenner has grown stronger through consistent service, dependable solutions and continued support. Their commitment to quality and responsiveness has helped build a trusted partnership that we value.

Exclusive Dealer

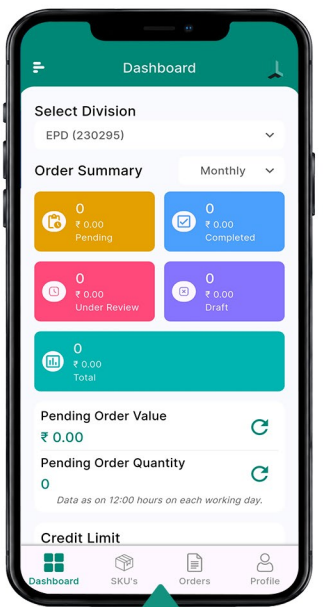
INNOVATION & BUSINESS GROWTH

Building Smarter Manufacturing Through Innovation

DMS MOBILE APP LAUNCH

Dealer Management System

JK Fenner introduced the DMS Mobile App, a digital platform designed to simplify dealer operations through real-time inventory visibility, order management, invoice tracking, and customer support. The launch marks another step towards delivering a smarter and more connected dealer experience.



DMS DASHBOARD

Q PRIME EVENT

JK Fenner has embarked on DICV's Q-Prime Supplier Certification Program, a 15-month transformation journey to achieve world-class quality standards. The certification is a strategic milestone that strengthens operational excellence and supports future business with Daimler Commercial Vehicles.

PEOPLE & COMMUNITY

Creating Impact Beyond Business

CSR & COMMUNITY IMPACT

At JK Fenner, CSR is focused on creating sustainable community impact through livelihood development, healthcare, education, women's empowerment, and environmental stewardship. Recent initiatives included Mobile Mechanic Training, Women Driving Skill Development, and Farmers & Technicians Training, strengthening skills and creating employment opportunities across communities.

CREATING IMPACT ACROSS COMMUNITIES

From April to August 2026, JK Fenner's CSR initiatives reached 37,060 beneficiaries through five key projects: Swastya, Jeevika, Pariyavaran, Nari Saksham, and Gyan. These initiatives reflect JK Fenner's continued commitment to improving health, livelihoods, environmental sustainability, women's empowerment, and education.

Swastya	Jeevika	Pariyavaran	Nari Saksham	Gyan	Rural Development
Better Health	Stronger Livelihoods	Greener Tomorrow	Empowered Women	Brighter Futures	Rural Prosperity
5,746	1,551	9,050	96	10,117	10,500

VAN-CAMPAIGN

In partnership with ASDC, JK Fenner's mobile training initiative equips commercial vehicle mechanics with practical skills in BS6, EV, ECU and advanced vehicle diagnostics.

The initiative has now expanded to Delhi after a successful campaign in Chennai, taking technical training closer to more mechanics.

SUSTAINABILITY

JK Fenner's sustainability initiatives continue to earn national recognition for driving environmental responsibility and energy efficiency.

- Carbon-Conscious Actions: Awarded for GHG emission reduction through process optimization.
- Platinum Recognition – Renewable Energy & Energy Savings: Recognised for renewable energy adoption and process efficiency initiatives.

CUSTOMER & PARTNER ENGAGEMENT

Growing Together for a Stronger Tomorrow

BANDHAN 2026

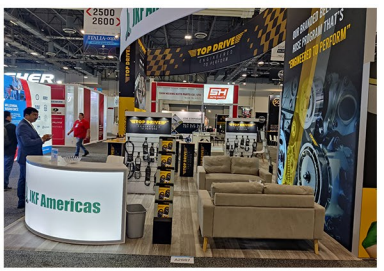
Satellite Manufacturing Partners Meet

JK Fenner hosted Bandhan 2026, bringing together its Satellite Manufacturing Partners to strengthen collaboration, share future strategies, and reinforce a shared commitment to operational excellence. Guided by the theme "Think Different – Make a Difference", the meet focused on building stronger partnerships for sustainable growth.

IPD DEALER CONFERENCE 2026

The IPD Dealer Conference 2026, themed "Resilience. Agility. A Leap Forward.", brought together dealer partners from across the network to celebrate achievements, exchange insights, and align on the business roadmap. The conference also witnessed the launch of the Digital Catalogue & DMS Mobile Application, reinforcing JK Fenner's commitment to digital transformation and enhanced partner engagement.

GLOBAL FOOTPRINTS



Strengthening our global footprint across the USA, Canada, Africa and Middle East through continued market engagement and participation in leading automotive aftermarket exhibitions.
